

ADDITION / RENOVATION

VEHICULAR ACCESS IMPROVEMENTS

BOSTON CONVENTION & EXHIBITION CENTER AND BOSTON COMMON GARAGE

Description: Scope of work is broken down into three subparts. (1) Marquee Plaza includes demolition of existing sidewalks, repairing structural and waterproofing components, installation of new sidewalks, curbing, seatwalls, and a camera tied into Boston Traffic Department's computer system. (2) Gates project includes installation of vehicular gates throughout the Boston Convention and Exhibition Center property and 2 security booths with access controls tied into the existing system. (3) The sign project includes repairs to the Boston Common Garage Entry Sign that was damaged by a vehicular impact including structural and cosmetic components.
